

# Rancho del Lago Show Summary for 2014

## **IALHA Nationals – Ft. Worth, Texas**

Another blowout show for the Rancho Del Lago horse family. There were 12 RDL owned or sired horses and every one of them left with at least one National Championship. All total, these horses landed 14 National Championships, 13 Reserves, 52 Top Fives and 8 Gold Medal Movement Awards. RDL stallions and their get now have over 460 show titles, including 18 different National Champions.

Dardanos received his second Life Merit Award (Merito de Oro; based on acquiring 200 performance points in recognized shows). Saltador and Dardanos finished 1,2 under the judge from Spain with amazing scores of 89.9 and 89.5, respectively and were both Top Five under the USEF judges. Saltador took both Gold Medals for Movement and Dardanos had the 2<sup>nd</sup> highest Functionality score. Our 3 junior mares were Champion, Reserve, and 4<sup>th</sup> out of 9 under

the Spanish judge, the colts were Champion and Reserve and we also had the Reserve Champion Senior Mare. Michael wowed the audience in the costume class with Saltador turned Holstein cow and was Versatility High Point for the 3<sup>rd</sup> time. Saltador was National Champion Dressage 2<sup>nd</sup> Level and National Champion Dressage Hack Amateur with his first competition ride by Dana Pantaze. Three different amateur owners won National titles showing their own horses (Sheri Holmes in Sr Geldings with Brillante RDL; Teresa Hurley in Geldings Amateur to Handle with Dante RDL and Deva Raubenheimer in Mares Amateur to Handle with Preciosa ORO). We used two Saltador sons in Leadline, a testament to their great temperament.
