2011 Gray Andalusian Mare under saddle

\$ 4,000

Description

This is a rare opportunity to acquire a purebred Andalusian mare at a bargain price. The owner has a serious health issue and must sell. So this mare is priced several thousand dollars below market value. She has a great temperament and is started under saddle but green at the canter depart. She ties, loads, does obstacles picks up feet, etc. Nice straight mover with good impulsion and flashy front end. There are two you tube videos. One shows her movement <https://www.youtube.com/watch?v=8RMdlbnABGo> and one her temperament and first time through our obstacle course <https://www.youtube.com/watch?v=wbTckVcBsWk>. She is stabled near San Antonio.
