Description

This colt name means brave and he lives up to it. When we picked him up at the vet just a few hours old, he ran ahead of Mom, jumped onto the trailer and looked back at her, like, well are you coming? His stellar pedigree has multiple Olympians, Elite stallions, National Champions, etc. Valeroso's dam is Lanys Kaye Eddie Gremlin Farms breeding on both sides, a double national champion in dressage a couple of years ago and reserve national champion filly at 2 a decade ago. Valeroso's sire is our FEI national champion with 9 titles and several movement awards, imported in utero, RDL Venerable PLC. His sire, Distinguido X, qualified for 2 Olympics and was the bronze medalist at WEG. Distinguido's sire is Elite Olympian Evento, sired by Leviton, another Olympian and number 2 sire in the Spanish Book of Merits. Venerable's dam is our imported national champion and best movement adult horse Espinilla PLC, granddaughter of Elite stallion Educado X, sired by Spanish national champion Centella V. His sire is our 9X FEI level National Champion Venerable RDL and his dam is a multiple National Champion including 2nd level dressage.
