## Description

This horse has it all! The gaits, great temperament, outstanding pedigree. He would be suitable for performance, show, working equitation, and in my opinion a good choice for a first horse for someone. Located near Nashville TN. His sire Persiles YET, bred by the Lovera family, is the USEF Leading Andalusian sire in 2024 based on points won by offspring. The sire of Persiles is Faraon 28, National champion of Spain and has the esteemed Breed Improvement stamp from ANCCE. The dam of Joaquin is Rafaela WT, daughter of nationally famous Magico VIII, sire of 13 national champion and grandson of Champion of Spain, Centella V. Rafaela WT is the granddaughter of international favorite Cordobes XX by PoseidoV with 11 crosses to the Carthusian lines of the Terry family.
