**PRE Gray filly 2023**

**\$ 16,000**

## Description

This filly is good enough for anyone's breeding or show string, including ours. But we already have 6 producing age mares and 2 in the pipeline, so can't keep her. She gets a check mark in every box: Movement, Temperament, Conformation, Pedigree. Many horses for sale have a couple of famous horses in their pedigree but this filly's lineage is over the top, with an insane couple of dozen of the best that ever lived. We are talking national champions on 3 continents, breed improvement horses, recommended morphology from lines everybody knows (Escalera, Military, Lovera, Cardenas, Guardiola, Romero Benitez). This filly lives up to her name with that brave and social disposition that is a pleasure to own.
