## Description

Worth the wait! We know he is young but this horse will make you famous. His movement is over the top with an outstanding pedigree including champions from some of the most renowned horses in the breed. We took him to the IALHA National Show Nov 2021 and he received the Gold Medal Movement Award out of 11 colts, most of whom were a year older. He was also Reserve National Champion Dressage Sport Horse in Hand Prospect. His imported 3 ANCCE stamp sire is one of only about 50 stallions out of 20,000 accessed to achieve the Recommended Dressage Morphology stamp. His dam is the daughter of the legendary Lion of Spain and champion of Mexico, Indiano 18. She is the dam of 3 U.S. national champions and granddaughter of Centella V, Champion of Spain. Buy this horse and he will get you noticed! The second 2 photos are his dam and the last 2 are his sire. There are two videos on you tube of this colt. One taken younger with his dam: <https://www.youtube.com/watch?v=fKZWcvd0ei8> and one August 2021: <https://www.youtube.com/watch?v=e9d5l84Jx7E> His video at the national show is <https://www.youtube.com/watch?v=Anf9scNnics> Just paste these into your browser or search judy henslee jubiloso on you tube.
