Description

A rare chance to own an imported gem. 2014 Gray, 16+hands, with a very high genetic conformation score 113, imported from Europe by us at age 2. The first two photos are at one year. You can see why she made the cut out of 80 mares we screened in Europe. Also pictured are some of the famous horses in her pedigree. Heterzygous gray (so 50/50 color producer bred to color), bay colt born May 2025. Mare and colt can be purchased alone or as package at \$32,000. Started under saddle lightly. Incredible Pedigree includes rare 5 ANCCE stamp Duque, 4 stamp elite Educado X, 2 qualified mares, Centella V (Ch of Spain). Dina is double registered IALHA, ANCCE.
